

# Capital Projects Fund Award Fact Sheet

## Massachusetts

*Treasury approves Massachusetts' plan to invest \$21.6 million of CPF funding in Digital Connectivity Technology projects that aim to address gaps in digital equity, affordability, and broadband adoption.*

### Massachusetts Capital Projects Fund Program Overview

- **Program Summary:** \$21.6 million for Digital Connectivity Technology (12% of CPF allocation)
- **Program Description:** The Residential Internet Audit and Upgrade Program is a grant program that aims to remove barriers to reliable residential broadband service to enable eligible households to utilize the internet. The program will fund new WiFi equipment and the installation of new, upgraded wiring and cabling within residential buildings. Massachusetts will prioritize older, multi-dwelling units in communities with a significant presence of low income and economically-disadvantaged households.
- **Key State Contact:** MassTech

*Massachusetts estimates this program will benefit approximately 30,000 households.*
